Grotto Neophytes Will Ride the Goat

Kallipolis Monarch Hastens to Alay Possible Fears of Residents Near Hall.

George H. Emmons, Jr., monarch of Kallipolis Grotto, wishes to allay all fears and excitement which might otherwise develop in the minds of passers-by on Seventh street in the vicinity of Odd Fellows Hall, next Thursday evening.

No attention should be paid nor anxiety felt if sounds resembling falling walls, upheavals and other weird sounds are heard issuing from the hall. Undoubtedly such sounds will be wafted to the outer air, but it will only be the rendition of the fall ceremonies of Kallipolis Grotto, which is to be staged there on that evening.

Elaborate preparations have been made for a full ritualistic ceremonial session of the grotto, including all the fancy trimmings, and entertainment features, with a gorgeous banquet afterward.

The class of Neophytes will be large and their search for the mysteries of the Order of Vexed Prophets will be attended with many a thrill during their journey across the River Styx.

HAY'S HAIR HEALTH DARKENED HER GRAY HAIR

Used by Mrs. Zilgen Because So Easy and Safe—and Not a Dye.

"My hair was getting so gray I was ashamed of it. I also had a great deal of dandruff. Some one recommended your HAY'S HAIR HEALTH—and I can truthfully say that at the end of one week the dandruff had quite disappeared and my hair had become a dark natural color again, just as I was so anxious for it to be, and no one knew I was using anything. I was careful to use regularly each night. I am glad to recommend it to any one needing a good hair tonic."

Yours truly,
MRS. ZILGEN,
77 Dayton Ave., Passaic, N. J.
